**Schoharie County Community Action Program, Inc. (SCCAP)
is looking for community members to serve on its Board of Directors.**

SCCAP, a non-profit human service organization, has been serving Schoharie County residents since 1965 - over 50 years. It is part of a nationwide network of 1,000+ agencies which promote self-sufficiency through community engagement and direct services.

Programs administered under SCCAP's umbrella focus on addressing the barriers families face while seeking to overcome economic instability. An evolving base of programs and services such as energy reduction measures, child care resource and referral, health and nutrition, access to health insurance, free tax preparation, employment and training, family supports and resources, mentors, supervised visitation and more provide a comprehensive system of support. SCCAP and its community partners collaborate through advocacy, referrals and coordinated service delivery with the goal of moving families towards economic security. Community Action believes an investment in its families is an investment in its community.

If you are interested in contributing to your community as a SCCAP Board Member, please provide the following information and a member of our board will contact you.
