

DID YOU KNOW?

The IRS sent out letters to inform families about the Additional Child Tax Credit (ACTC) payments that will automatically begin on July 15, 2021 for many taxpayers. There is a way to opt-out of receiving these payments by using the opt-out tool on the IRS.gov website. Taking this credit early may impact your 2021 income tax return depending on your income tax liability. If you have any questions regarding the ACTC, please contact the Community Services Director, Melissa Pawlak at 518-234-2568.
