

WEATHERIZATION ASSISTANCE

Free weatherization services are available for eligible home owners and renters. Weatherization:

- Helps reduce energy costs
- Conserves energy
- Increases comfort in the home
- Improves safety and health standards
- Preserves housing

HOW DOES THE PROGRAM WORK?

- An application is submitted to the local service provider to determine program eligibility
- An energy audit of the home is conducted to identify needs
- The home is weatherized by our qualified SCCAP carpenters
- Home is inspected to assure quality of work completed
